

THE
NORTH
FACE®

2020

The background of the entire advertisement is a photograph of a massive, rugged mountain peak, likely Half Dome in Yosemite National Park. The mountain is bathed in the warm, golden light of a low sun, creating a dramatic play of light and shadow on its craggy surface. The sky is a clear, pale blue with a few wispy clouds near the horizon. The North Face logo, consisting of the words "THE NORTH FACE" in a bold, sans-serif font with a registered trademark symbol, is positioned in the upper center. To the right of the text is the iconic North Face logo symbol, a white quarter-circle shape. Below the logo, the slogan "NEVER STOP EXPLORING" is written in a large, bold, sans-serif font, also with a registered trademark symbol.
